Dear Parents, Guardians & Community Members,

Mrs Crawford and Mrs Roberts spoke highly of the Peer Support Training Program for the Year 5/6 class. The golf club was the venue for the two days. Students worked hard and showed great potential as future leaders. Well done students and Mrs Roberts and Mrs Crawford for their hard work.

On Thursday we have drama expert, Tessa Bremner, visiting the school. She is a renowned director, producer and teacher of drama. Ms Bremner will workshop with about 25 students from Years 3-6.

Our netball girls, accompanied by Mrs Moreing, have travelled to Cooma for a netball gala day. They will be competing with students from all over the district. We are assured that the girls will have a great day. Following this Mrs Moreing will be taking a number of days on long service leave. We wish her a safe and happy time while she is away. Ms Katie Brazel will be taking her class during this time.

I will be attending a Regional Principal meeting over the next 3 days in Wollongong. I am expecting to hear about the future direction of education and funding issues. This will be an interesting but challenging time.

Have fun on Pyjama Day on Friday. This is a fund raiser for Blaze Aid group. Don't forget it is a gold coin donation. I am surely sad to be missing such a fun day.
