Dear Parents, Guardians & Community Members,

Well we have made it to the last week of Term 1. What a very busy time we have had. There has been training and development courses for the staff, swimming carnivals, cross country carnivals, visiting artists and guest presenters, just to mention a few. There have been many learning opportunities for our students and activities to encourage engagement within the educational setting. Next term also has started to look quite busy as well. One of the significant events for Term 2 is NAPLAN which will be in week 3 – Tuesday 14th to Thursday 16th of May.

Tomorrow we will be conducting our Nitbuster program. There has been about 45 responses out of 121 students. These students will participate in the program tomorrow. Thank you to all our parent helpers who will be making this day a success.

Friday will be our Bike Education and Bus Safety Day. All students are invited to bring their bikes on the day but please remember to bring their helmets too. There will be a sausage sizzle for lunch, the students need to bring their own drink bottle for the day as well as their own morning tea. This will also be a non-uniform day with a gold coin donation to assist with the costs. Could all bikes be walked into the school grounds and parked on the lawn area next to the veggie garden and computer room. We will be having guest speakers on the day.

The school holidays are upon us, so I would like to wish our families a safe and happy break. Keep safe and remember that school starts back for the students on Wednesday 1st May.
