Dear Parents, Guardians & Community Members,

Kindergarten Orientation
Mrs Ingram and I have been working towards establishing our Kindergarten Orientation Program for 2015 enrolments. The Year 5 Buddy Program will continue at the Pre-School in Week 5 (Thurs. 6 November). This will be followed by a 4 week orientation at school. Anyone who would like any further information about the program please contact me at school and I will be happy to answer any questions.

Year 1 and 2 Excursion to Eden and Merimbula
It was an exciting start to the day this morning as the Year 1 and 2 students headed off to Merimbula and Eden for their excursion. They will most certainly have a great day. Thanks to Mrs Moreing and Mr Pillidge for their organisation.

Year 6 Orientation Day
Year 6 students will be spending their day at the High School tomorrow. This is all part of their orientation to Year 7 for 2015. They will start their day as if they were a high school student and be there all day. They will need to bring their own lunch but can also order from the canteen (lunches need to ordered before or at recess). Have a great day.

Year 5 Buddy Program
The Year 5 students will be heading off to the Pre-School again tomorrow to spend time with the students, building relationships and offering a familiar face when they start the Kindergarten orientation program next week. This was great fun last week and it didn’t take long for the students to make new friends and enjoy their time there.

Simon Clegg – Motivational Speaker
Next Monday, Simon Clegg, a highly regarded motivational speaker will be presenting to our Year 5 and 6 students at the high school. This presentation will focus on building resilience and bullying as well as cyber bullying. This presentation will be followed by a parent session from 6:30pm at the High School Library. A light supper will be served before the meeting. All welcome

Remembrance Day
Next Tuesday we will be taking the primary classes (Yr 3- 6) to the Remembrance Day commemoration. Please make sure your child brings a school hat and water bottle. Sunscreen will applied in the morning.

Adam Zanco

Gotcha Award

Winner for Term 4 Week 4 is Clarissa Marrapodi

Well done!

CWP Renewables invites you to come and see Boco Rock Wind Farm at our Community Open Day on Saturday 29th November, before the wind farm is officially open...

Construction is almost done at Boco Rock, and we would love you to come and have a look at the project as work on-site wraps up. On a bus tour of the site, you’ll learn more about the construction process as well as getting a look inside a completed turbine. We will be on hand throughout the day to tell you more about the wind farm and how our turbines turn wind into electricity.

When: Saturday, 29th November 10am - 3pm: Boco Rock Wind Farm construction compound, Avon Lake Rd Nimmitabel
Registration: bocorockwindfarm.com.au / 1300 855 985

Bus tours will leave every half hour from the construction compound from 10am to 2.30pm. Refreshments, a free BBQ and amenities will be available at the compound throughout the day. We look forward to seeing you there!

The Boco Rock construction compound is located on Avon Lake Road, just off Snowy River Way, or a 20 minute drive from Nimmitabel along the Springfield Road. We’ll have signs up on the day directing you to the compound, or give us a call for more details on how to find us.

For more information, please contact Siobhan Isherwood, Communications Officer on 0401 976 251.
P&C Catering

A reminder from the P&C that volunteers are needed for our weekend fundraising venture - catering for the nearly 200 rally cars. Could all donated goodies be at the school by 9.30 Saturday morning.

AFL REMINDER

Please bring in all notes and money by this Friday (7th November).

BAND FEES

Reminder that all band fees are now overdue. Please pay immediately. Your child will be unable to attend tuition unless this fee is paid.

Year 3 Excursion to Bournda

Year 3 students left Bombala Public School at 8am Monday morning for an adventure to Bournda National Park. The students were very excited to head down to the coast for a day of saltwater fishing and coastal studies. The weather was perfect but the fish didn't bite. The beach was spectacular and perfect for building sand machines. Students were responsible for baiting their own hooks and casting their own lines. Every student was successful in their fishing duties but had no luck in reeling in a prize winner. Bombala Public School would like to thank the Bournda Environmental Education Centre for their assistance and expertise on our trip and to Mr Zanco for driving the bus and his assistance throughout the day. A great time was had by all and some memorable stories brought home.

Thanks

From Mrs Coates
