Encourage your child to express and justify opinions, develop logical arguments and give reasons for decisions made.

Involve your child in adult conversations, when appropriate. These experiences will help develop an awareness of how they and others use language.

Provide a good listening model by showing interest in, and responding to, your child’s contributions. For example, use mealtimes for discussion and encourage all family members to participate.

Talk about topics of mutual interest and expect that your child will listen and respond.

Provide a wide variety of books such as traditional stories, magazines’, comics, atlases, dictionaries and reference books.

Read serials or short stories.

Encourage your child to read for pleasure.

Compare similarities and differences between a book your child has read and its movie version, eg. The Secret Garden, Chitty Chitty Bang Bang or Winnie the Pooh.

We congratulate David on his achievement and wish him all the best with his training for the Regional Carnival to be held at Bruce Stadium next term.

**A Reminder from the Kindergarten Classroom**

We have had no response to our request for Dress-Up Box items. Please donate any interesting articles of clothing that could make a Kindy’s day fabulous with imaginative play.

Thank you to parents who have been returning our borrowed spare clothing all washed up and ready to be used again.

Bombala Public School Netball Girls
Continue on Their Winning Way

At Jindabyne last Thursday, the 29th of May the girls from Bombala Public School competed against teams from Cooma North, Jindabyne and Cooma Public School in the second and third rounds of the PSSA Knockout to determine who would go through to the fourth round against a team to be determined from the Queanbeyan district.

The team of Karter Hampshire, Bree Brownlie, Mackenzie Phillips, Dakota Miles, Hannah Feilen, Larissa Ponsford, Tilly Yelds, Sarah Moreing and Shauna Keavey played with great skill and polish to convincingly win all three games they played.

In the first game they defeated Cooma North 30 goals to 5 and this then meant they moved into the third round against Jindabyne Central School. Here they again demonstrated great skill and fantastic teamwork to be victorious 32 to 3. The final game saw the girls play Cooma Public School to ensure that each team played all others present on the day and here they were again successful, this time winning 36 to 2.

It was truly a credit to the girls that they were able to maintain their form and rhythm no matter where they were asked to play or what combination was used on the court. This is testament to the girl’s dedication to and hard work at training sessions. They have given up many lunch times and juggled training for other events to ensure they have been able to hone their skills and develop their combinations on the court.

As usual these girls were an absolute pleasure to take away and continue to demonstrate outstanding sportsmanship and friendship to and encouragement of the other teams they played. They can again be justifiably proud of themselves, as indeed am I and as I am also sure their parents, school and community are.

It was again, as always, fantastic to see the support given to the girls by their parents, grandparents, families and friends on the day and a huge thank you to all those parents who transported the girls. Without this support it would be impossible for the girls to compete. Also a very special thank you to Wendy Hampshire for giving up her time to umpire for us, I know that the girls really appreciate this, as I am sure the other teams did as she constantly encouraged them and gave them tips to improve their play.

A big thank you also to the girl’s parents who purchased personalised tracksuits for each of the girls as well as for Marni and myself so that we could really look like a united team who meant business. Both Marni and I along with Calli love to work with these girls and are enormously proud of what they have achieved so far. The hard work is not over yet however and training will continue in earnest as we prepare for Phase 2 of the New South Wales Netball Association South Coast Cup in Queanbeyan on the 19th of June and the next round of the PSSA Knockout early in Term 3.

coach and team co-ordinator.
