Dear Parents, Guardians & Community Members,

Netball in Queanbeyan
Next week our netball team will be competing in the State Netball Championships in Queanbeyan. I, along with our school community would like to wish the girls the best of luck at this next level. I know they will do us proud with their skills and sportsmanship. Thanks to all the parents who have volunteered to transport and support the girls. Thanks also to Mrs Moreing for her hard work training the girls.

Our Next Assembly
Our next school assembly will be Friday 20th June (next week). Our performers will be the Year 2 and 4/5 Classes. It will be held in the High School Canteen at 12.30pm. We would love to see you as we celebrate our successes.

Our New Guessing Competition
This week we have introduced to our newsletter a competition where we are asking students and parents to identify the close up image found somewhere in the school grounds. Once you think you have worked out where the image is from—contact Mrs Brazel in the Library and she will let you know if you are the first person to identify the image correctly. If you are, then you can select a new book to take home. Good luck an happy hunting.

ABC Roll of Honour Soundscape Project
On Monday the Year 6 students will be travelling to Bega to take part in the Roll of Honour Soundscape Project. They will be attending the ABC Radio Studio where they will read out the names of fifty World War One Diggers whose lives were lost in battle. These recordings will be played at the Australian War Memorial. Mrs Roberts and I will be accompanying the students to Bega. This will be a great honour to be included in this program.
